

City of Clayton ADA Transition Plan

Public Meetings

March 13, 2014

Questionnaire Sheet

Thank you for taking the time to come this evening. Please assist us with responses to the following questions. We want to be sure your questions or concerns are answered. If you have additional comments or concerns please provide the information at the end of this questionnaire.

1. How accessible are Clayton's sidewalks & curb ramps?

2. What conditions related to the accessibility of Clayton's sidewalks, signals or curb ramps do you find most difficult?

3. Please share accessibility difficulties or constraints along pedestrian routes you normally take?

4. Describe the most important action Clayton can take to increase accessibility of its programs and services, and sidewalks, signals and curb ramps.

5. Please share other comments, experiences, recommendations related to the accessibility of Clayton's programs and services, and sidewalk, signals & curb ramps.

6. How do Clayton's sidewalks compare to those of other cities you've visited?

7. How do Clayton's sidewalks compare to those of other cities you've visited?

8. In your opinion, how should the City of Clayton prioritize accessibility projects compared to capital improvement projects as a whole?

9. What is your level of familiarity with PROWAG?

10. What concerns do you have that PROWAG may not address?

11. What other insights/guidance would you like to share with the project team?

12. Other Comments, Concerns or Questions?
